CHAIRMAN'S REPORT

Our Walks' Programme continues to be a lively and full calendar of walks providing walks on nearly every Wednesday. Elizabeth Yates is to be congratulated on her work in gathering these walks. There have been several weekend walks including the long-distance Roman Way path. Our membership has seen a small drop in numbers but is good considering the recession. Helen and Barry Burlingham have ensured that our programme and publicity notices have reached every library. Tony Dale has been working with the Oxford City Council about the state of the footpaths, particularly the path beside the River Cherwell. Robin Harrison has provided

sterling support as Treasurer and with our independent auditor Bob Spray, they have alerted Ramblers' Central Office to committee concerns about the impact of the recession on Ramblers' funds.

I should like to thank all the members of the committee and the walks' leaders for their involvement and continuing support of the Oxford Group. Meantime, we continue to have fun as this photo of the Wednesday walkers shows.
