All walks will start promptly at the advertised time. You need to arrive about 15 minutes before this to put on boots etc. Please take a drink and a snack for a refreshment stop.

The website walks listings will show walks that have been added or changed since this report was produced. The on-line version may also show a more-detailed walk description and information of public transport and parking.

Where booking is required by email a link to the Walk Leader's email address can be found in the on-line entry for that walk.
