

Walks Programme June 2026

Always check the website (www.ramblers-oxon.org.uk) to confirm the status of the walk.

All walks will start promptly at the advertised time. You need to arrive about 15 minutes before this to put on boots etc. Please take a drink and a snack for a refreshment stop.

The website walks listings will show walks that have been added or changed since this report was produced. The on-line version may also show a more-detailed walk description and information of public transport and parking.

Where booking is required by email a link to the Walk Leader's email address can be found in the on-line entry for that walk.

A reminder: Dogs should be kept under close control and on a short lead on roads, near livestock or sensitive wildlife, where the terrain requires careful footwork, and wherever the Walk Leader requires it.
